This clutch fit my 2008 Honda Civic Si with no problem. The issue we had was not the clutch or the part. The issue was the fact that after we tackled the install in my driveway, which took 24 hours in sections, was that when we were putting it back together, we did not insert the driver side cv axle all the way.

Transmission repairs or replacements are inconvenient, stressful and typically quite expensive, so it's a good idea to pay attention to any activity that seems unusual. Adhering to the recommended maintenance procedures and schedule intended to prevent problems will help your transmission last longer, perform better and require fewer repairs over its lifespan.
