Moshing or slamdancing is a style of dance in which participants push or slam into each other, typically performed in "aggressive" live music. Moshing usually happens in the center of the crowd, generally closer to the stage, in an area called the "pit". It is intended to be energetic and full of body contact.

"The Hampsterdance Song" is a song by Hampton the Hamster. It was released in July 2000 as a single. It was produced by The Boomtang Boys, who used a sped-up hook from the Roger Miller song "Whistle Stop", notably featured in Disney's 1973 film Robin Hood. In 2005, CNET named the Hamster Dance the number-one Web fad. It is also one of the earliest examples of an Internet meme.
