

british modern architecture and pdf

Modern architecture emerged at the end of the 19th century from revolutions in technology, engineering and building materials, and from a desire to break away from historical architectural styles and to invent something that was purely functional and new.

Modern architecture - Wikipedia

The architecture of the United Kingdom, or British architecture, consists of an eclectic combination of architectural styles, ranging from those that predate the creation of the United Kingdom, such as Roman, to 21st century contemporary. England has seen the most influential developments, though Ireland, Scotland, and Wales have each fostered unique styles and played leading roles in the ...

Palestine, area of the eastern Mediterranean region, comprising parts of modern Israel and the Palestinian territories of the Gaza Strip (along the coast of the Mediterranean Sea) and the West Bank (the area west of the Jordan River).. The term Palestine has been associated variously and sometimes controversially with this small region, which some have asserted also includes Jordan.
