Energy medicine, energy therapy, energy healing, psychic healing, spiritual medicine or spiritual healing are branches of alternative medicine based on a pseudo-scientific belief that healers can channel healing energy into a patient and effect positive results. This idea itself contains several methods: hands-on, hands-off, and distant (or absent) where the patient and healer are in different ...

3. High Yield Notes: Less known are the Goljan High Yield Pathology Notes. The format that is available on the internet is not ideal, but I do think that these notes can be very useful. The document is a very rapid review of the pathology associations that are most common and most important to Steps 1 and 2.

Goljan Audio Lectures and High Yield Notes
