The most widely used method of establishing an advertising budget is to base it on a percentage of sales. Advertising is as much a business expense as, say, the cost of labor and, thus, should be related to the quantity of goods sold.

### **Advertising Budget Methods | Marketing Budget Allocation**

The terms marketing and sales are inescapable in business. In fact, many would argue that one or the other define what it means to do business. However, while sales focuses on the method of persuading the target market to buy a product or service, marketing looks at the big picture to make sure ...

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.
