1 Chava Alberstein If For Sale - Windows, Doors, Salvage Wood

This is a very engaging book that stands out for its lively coverage of various social problems. The strength of this book is the engaging language and great examples that will draw students to inquire more about the nature and consequences of social issues, problems, and inequalities, primarily in the United States.

This Eighth Edition of Social Statistics for a Diverse Society continues to emphasize intuition and common sense, while demonstrating that social science is a constant interplay between methods of inquiry and important social issues. Recognizing that today's students live in a world of growing diversity and richness of social differences, authors Chava Frankfort-Nachmias and Anna Leon ...
