

chapters into verse poetry pdf

In the countable sense, a verse is formally a single metrical line in a poetic composition. However, verse has come to represent any division or grouping of words in a poetic composition, with groupings traditionally having been referred to as stanzas. In the uncountable sense verse refers to "poetry" as contrasted to prose. Where the common unit of verse is based on meter or rhyme, the common ...

The Bible is a compilation of many shorter books written at different times by a variety of authors, and later assembled into the biblical canon. Since the early 13th century, most copies and editions of the Bible present all but the shortest of these books with divisions into chapters, generally a page or so in length. Since the mid-16th century editors have further subdivided each chapter into ...
