The General Certificate of Education (GCE) Advanced Level, or A Level, is a main school leaving qualification in England, Wales, Northern Ireland, the Channel Islands and the Isle of Man. It is available as an alternative qualification in other countries. It used to be the case that students would study over a two-year period, and that they would sit examinations at the end of each year (AS and ...

The baccalauréat (French pronunciation:), often known in France colloquially as bac, is an academic qualification that French students take after high school. Introduced by Napoleon I in 1808, it is the main diploma that is required to pursue university studies.. There is also the European Bacculaureate, which students take at the end of the European School education.
