child care who cares pdf

Child care, or otherwise known as daycare, is the care and supervision of a child or multiple children at a time, whose age ranges from six weeks to thirteen years. Child care is the action or skill of looking after children by a day-care center, nannies, babysitter, teachers or other providers. Child care is a broad topic that covers a wide spectrum of professionals, institutions, contexts ...

Clown Care, also known as hospital clowning, is a program in health care facilities involving visits from specially trained clowns. They are colloquially called "clown doctors" which is a trademarked name in several countries. These visits to hospitals have been shown to help in lifting patients moods with the positive power of hope and humor. There is also an associated positive benefit to the ...
