Why learn chokes? A martial artist or street fighter who believes that he can survive solely on powerful punches and kicks may be in for a rude awakening when the fight ends up in a clinch on the concrete--where knockout power is tougher to generate--or the attacker turns out to be high as a kite, crazed and immune even to the pain of broken bones.

Choke by Chuck Palahniuk. Chapter 1. IF YOU'RE GOING TO READ THIS, DON'T BOTHER. After a couple pages, you won't want to be here. So forget it. Go away. Get out while you're still in one piece. Save yourself. There has to be something better on television. Or since you have so much time on your hands, maybe you could take a night course.

Selecting the Appropriate Owner's Manual To get an owner's manual for your generator, first determine the model name. All Honda generators have a model name with a prefix that starts with "E" such as EB5000, EU1000i, or EG5000. The model name is usually on the case, fuel tank, or near the control panel.
