

church and state in pdf

The separation of church and state is a philosophic and jurisprudential concept for defining political distance in the relationship between religious organizations and the nation state. Conceptually, the term refers to the creation of a secular state (with or without legally explicit church-state separation) and to disestablishment, the changing of an existing, formal relationship between the ...

With the Edict of Thessalonica in 380 AD, Emperor Theodosius I made Nicene Christianity the Empire's state religion. The Eastern Orthodox Church, Oriental Orthodoxy, and the Catholic Church each stand in that continuity.. Earlier in the 4th century, following the Diocletianic Persecution of 303-313 and the Donatist controversy that arose in consequence, Constantine had convened councils of ...
