codependents guide to the pdf

Codependency is a controversial concept for a dysfunctional helping relationship where one person supports or enables another person's addiction, poor mental health, immaturity, irresponsibility, or under-achievement. Among the core characteristics of codependency, the most common theme is an excessive reliance on other people for approval and a sense of identity.

Personal boundaries are guidelines, rules or limits that a person creates to identify reasonable, safe and permissible ways for other people to behave towards them and how they will respond when someone passes those limits. They are built out of a mix of conclusions, beliefs, opinions, attitudes, past experiences and social learning. This concept or life skill has been widely referenced in ...

How To Discern, Test & Judge Rightly by Sandy Simpson This DVD is a message based on this article.. In running a web site with thousands of articles, 1-2 million hits per month from all over the world, and hundreds of e-mails per week, I have come to realize, with time, that there is a terrible problem in Christendom today.
