Coming Full Circle provides a working constructive dogmatics in Native Christian theology. Drawing together leading scholars in the field, this volume seeks to encourage theologians to reconsider the rich possibilities present in the intersection between Native theory and practice and Christian theology and practice.

PDF Coming Full Circle Constructing Native Christian

Coming Full Circle (2009) About book: Once was enough. Ok read. Kind of simplistic, not very realistic, and in my opinion, the author was not true to her own narrative. For instance, the lead character Jasmine was described as "shy", but was written as sexually forward and even aggressive.
