

communalism vs nationalism 1930 pdf

Nationalism is a political, social, and economic system characterized by the promotion of the interests of a particular nation, especially with the aim of gaining and maintaining sovereignty (self-governance) over the homeland. The political ideology of nationalism holds that a nation should govern itself, free from outside interference and is linked to the concept of self-determination.

Nationalism - Wikipedia

Collectivism is a cultural value that is characterized by emphasis on cohesiveness among individuals and prioritization of the group over self. Individuals or groups that subscribe to a collectivistic worldview tend to find common values and goals as particularly salient and demonstrate greater orientation toward in-group than toward out-group. The term "in-group" is thought to be more ...
