### **conspiracy of giants | Download eBook PDF/EPUB**

The Book of Giants enlarges on the mention in Genesis 6:4 of giants "being on the earth at this time." The Book of Enoch is considered by some to be one of the pseudepigrapha collection, so called because the reputed authors employed the name of a notable figure from the past as the title head

### **THE BOOK OF GIANTS - www.BahaiStudies.net**

Update: Based on my own research into large skeletons recounted in Smithsonian reports, science journals, and newspaper articles, particularly those dating back to the late 19th and early 20th centuries, my views about whether these human remains can be called "giants", especially without becoming associated with fringe, pseudoscientific ideas about their possible origins as a separate race of giant beings, have hardened, leaning toward greater skepticism with time.
