

**constitutionalism universalism and democracy pdf**

Basic beliefs (also commonly called foundational beliefs or core beliefs) are, under the epistemological view called foundationalism, the axioms of a belief system. [example needed

**Basic belief - Wikipedia**

A collective is a group of entities that share or are motivated by at least one common issue or interest, or work together to achieve a common objective. [citation needed] Collectives can differ from cooperatives in that they are not necessarily focused upon an economic benefit or saving, but can be that as well. The term "collective" is sometimes used to describe a species as a whole"for ...
