The relationship between race and crime in the United States has been a topic of public controversy and scholarly debate for more than a century. The incarceration rate of blacks (African Americans) is more than three times higher than their representation in the general population. Research shows that the overrepresentation of some minorities in the criminal justice system can be explained ...

The broken windows theory is a criminological theory that visible signs of crime, anti-social behavior, and civil disorder create an urban environment that encourages further crime and disorder, including serious crimes. The theory thus suggests that policing methods that target minor crimes such as vandalism, public drinking, and fare evasion help to create an atmosphere of order and ...
