Promoting and marketing your restaurant or eatery using flyers is one of the most effective tricks there is. A restaurant flyer can feature menus, special offers and discounts, new address etc.

Restaurant Flyer Templates - 65+ Free Word, PDF, PSD, EPS

Color blindness, also known as color vision deficiency, is the decreased ability to see color or differences in color. Simple tasks such as selecting ripe fruit, choosing clothing, and reading traffic lights can be more challenging. Color blindness may also make some educational activities more difficult. However, problems are generally minor, and most people find that they can adapt.

Color blindness - Wikipedia

A static website stores a unique file for every page of a static website. Each time that page is requested, the same content is returned. This content is created once, during the design of the website.
