I putter sono bastoni specifici con un loft minore di 10° progettati per far rotolare la palla sul green fino alla buca. Contrariamente a come si crede, i putter hanno un loft, in genere di 5° , necessario a sollevare la palla da un'eventuale conca creata con l'impatto a terra.

Bastone da golf - Wikipedia

A golf club is a club used to hit a golf ball in a game of golf. Each club is composed of a shaft with a grip and a club head. Woods are mainly used for long-distance fairway or tee shots; irons, the most versatile class, are used for a variety of shots; hybrids that combine design elements of woods and irons are becoming increasingly popular; putters are used mainly on the green to roll the ...
