### **Read Effective Lawyering: A Checklist Approach to Legal**

Effective Lawyering concisely describes useful, yet often neglected, writing techniques. The book has pithy discussions of: (1) ways to avoid recurring, yet frequently overlooked, writing problems; (2) sensible approaches to writing common legal documents (trial court and appellate briefs, memoranda, letter writing, and academic writing); and (3) methods for preparing an oral argument.

Using a primary checklist as the base can be helpful, but teams then need to customize it to fit their exact workflow. Creating your own checklist also means you can use it in your work and refine it based on how it fares. Gawande says a good checklist is precise, efficient, and easy to use even in the most difficult situations.
