Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

A literature circle is equivalent of an adult book club, but with greater structure, expectation and rigor. The aim is to encourage thoughtful discussion and a love of reading in young people. The true intent of literature circles is "to allow students to practice and develop the skills and strategies of good readers" (DaLie, 2001).
