

faith has its reasons pdf

Good faith (Latin: bona fides), in human interactions, is a sincere intention to be fair, open, and honest, regardless of the outcome of the interaction. While some Latin phrases lose their literal meaning over centuries, this is not the case with bona fides; it is still widely used and interchangeable with its generally accepted modern-day English translation of good faith.

Good faith - Wikipedia

In the context of religion, one can define faith as confidence or trust in a particular system of religious belief, within which faith may equate to confidence based on some perceived degree of warrant, in contrast to a definition of faith as being belief without evidence.
