Monopoly is a board game where players roll two six-sided dice to move around the game board, buying and trading properties, and developing them with houses and hotels. Players collect rent from their opponents, with the goal being to drive them into bankruptcy. Money can also be gained or lost through Chance and Community Chest cards, and tax squares; players can end up in jail, which they ...

The board game Monopoly has its origins in the early 20th century. The earliest known version of Monopoly, known as The Landlord's Game, was designed by an American, Elizabeth Magie, and first patented in 1904 but existed as early as 1902. Magie, a follower of Henry George, originally intended The Landlord's Game to illustrate the economic consequences of Ricardo's Law of Economic rent and the ...
