The Greek language distinguishes at least six different ways as to how the word love is used. Ancient Greek has six distinct words for love: philḗ-a, ἄσρος, ἀγάπη, storgḗ, pragma, and philautia. However, as with other languages, it is been difficult to distinguish the separate meanings of these words without carefully considering the context in which the words are used: In casual writing, the ...

### **Greek words for love - Wikipedia**

The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...
