The Lake Poets were a group of English poets who all lived in the Lake District of England, United Kingdom, in the first half of the nineteenth century. As a group, they followed no single "school" of thought or literary practice then known. They were named, only to be uniformly disparaged, by the Edinburgh Review. They are considered part of the Romantic Movement.

The Financial Lives of the Poets is a comic and heartfelt novel from National Book Award nominee Jess Walter, author of Citizen Vince and The Zero, about how we get to the edge of ruin—and how we begin to make our way back. Walter tells the story of Matt Prior, who's losing his job, his wife, his house, and his mind—until, all of a sudden, he discovers a way that he might just possibly ...

Descartes argues that no explanation of any phenomenon may assume or merely re-describe what needs to be explained. He cannot, therefore, propose substance dualism as a theory of mind. To explain mental activities such as sensation, memory, or imagination, one must hypothesize how they result from interaction between the environment, the senses, and the processing of the brain.
