Excellence is a talent or quality which is unusually good and so surpasses ordinary standards. It is also used as a standard of performance as measured e.g. through economic indicators.. In modern public relations and marketing, "excellence" is frequently criticized as a buzzword that tries to convey a good impression often without imparting any concrete information (e.g. "center for excellence ...

Arete (Greek: ἀρετή), in its basic sense, means "excellence of any kind". The term may also mean "moral virtue". In its earliest appearance in Greek, this notion of excellence was ultimately bound up with the notion of the fulfillment of purpose or function: the act of living up to one's full potential.. The term from Homeric times onwards is not gender specific.
