The soul is beyond the body and hence from this perspective, it is immaterial how tall or short a person is. The true height of a person is his or her character and deeds. Yet, tall height is a natural ambition of humans. I agree that in current context it is partly because of the glamour associated ...

During my 20-plus years in the surety industry, I have been asked one question more than any other: "What is my bonding capacity and how is it determined?" Unfortunately, this simple question is the most difficult one for a surety agent to answer and merits a clear explanation. Bonding capacity is the maximum amount of surety credit a surety company will provide to a contractor.
