## **Trusted Information Sharing Network**

This Information Sharing: Guidance for practitioners and managers presents content that is common to everyone and some that is relevant when working with a specific population group, for example, children and/or young people.

## **Information Sharing: Guidance for practitioners and managers**

IIR specializes in the development and implementation of intergovernmental programs. The impact of IIR expertise and services is far-reaching, including initiatives in the areas of Criminal Justice, Information Sharing, Strategic Collaboration, and SORNA Implementation.

## **Initiatives - IIR**

Guidance on information sharing for people who provide safeguarding services to children, young people, parents and carers.

## **Information sharing advice for safeguarding practitioners**

The Department of Homeland Security's (DHS) free Automated Indicator Sharing (AIS) capability enables the exchange of cyber threat indicators between the Federal Government and the private sector at machine speed. Threat indicators are pieces of information like malicious IP addresses or the sender address of a phishing email (although they can also be much more complicated).

## **Automated Indicator Sharing (AIS) | US-CERT**

The Cambridgeshire Information Sharing Framework ('the Framework') is a high level agreement between a number of public organisations in Cambridgeshire.

## **Information Sharing Framework - Information and data sharing**

Classified information is material that a government body deems to be sensitive information that must be protected. Access is restricted by law or regulation to particular groups of people with the necessary security clearance and need to know, and intentionally mishandling of the material can incur criminal penalties. A formal security clearance is required to view or handle classified ...
