Human sexuality is the way people experience and express themselves sexually. This involves biological, erotic, physical, emotional, social, or spiritual feelings and behaviors. Because it is a broad term, which has varied over time, it lacks a precise definition. The biological and physical aspects of sexuality largely concern the human reproductive functions, including the human sexual ...

March 11, 2010. Susan Reed: I have unique insights into exactly how a reptilian body-snatches a human. He is a combination of a reptilian spirit in control of a human spirit having taken over a human body. His abduction is described, his remarkable abilities and characteristics, such as advanced mental abilities, his cruelty and fundamental malevolence.
