Hinari Core Offer includes two groups of countries, areas, or territories (Group A and Group B) Local, not-for-profit institutions in two groups of countries, areas, or territories may register for access to the publications through the Core Offer of Hinari.

WHO | Hinari Eligibility

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

Complexity - Wikipedia

This is an education for you that have a bachelor degree in biology and wish to get a more advanced knowledge in ecology to increase your possibilities to get an advanced job within companies and governments or the merit yourself for future studies as a Ph.D. student.
