Networked: The New Social Operating System. Some worry that this new environment makes us isolated and lonely. But in Networked, Lee Rainie and Barry Wellman show how the large, loosely knit social circles of networked individuals expand opportunities or learning, problem solving, decision making, and personal interaction.

While the APA provides clear-cut instructions for citing standard publication types, some business resources have unique elements that make it necessary for us to make an interpretation of the APA rules. Some of the examples provided on this guide are adaptations made by the Bentley Library's reference librarians for the Bentley University community.
