The history of Goa dates back to prehistoric times, though the present-day state of Goa was only established as recently as 1987. In spite of being India's smallest state by area, Goa's history is both long and diverse. It shares a lot of similarities with Indian history, especially with regard to colonial influences and a multi-cultural aesthetic. ...

Introduction and Overview. This research defines and outlines the ego death theory, as a new systematic research framework and paradigm. The ego death theory holds that the essence and origin of religion is the use of visionary plants to routinely trigger the intense mystic altered state, producing loose cognitive-association binding, which then produces an experience of being controlled by ...
