Why are we as consumers so captivated by stories of great customer service? Perhaps it's because they serve as a reminder that there are companies (and amazing support professionals) who still care about their customers. Every company says their customers are their #1 priority, but stories show us ...

We cannot properly speak of horror fiction without mentioning the name H.P. Lovecraft, any more than we could do so without speaking of Edgar Allan Poe, whose complete works we featured in a post yesterday. Even now, as some of Lovecraft's really vicious attitudes have come in for much critical reappraisal, the Lovecraftian is still a dominant form.

A narrative or story is a report of connected events, real or imaginary, presented in a sequence of written or spoken words, or still or moving images, or both. The word derives from the Latin verb narrare, "to tell", which is derived from the adjective gnarus, "knowing" or "skilled".. Narrative can be organized in a number of thematic or formal categories: non-fiction (such as definitively ...
