comes to know or see distinctly the matter that is noted and the mind that notes. Now there are no distractions and your mind is always on the object. You begin to see the objects clearly and you begin to see that your mind makes notes of the object, for example rising and falling. Your mind is making notes 'rising', 'falling', 'rising', 'falling'.

### **The Knower and The Known - TBSA.ORG**

(1986) describe ways of knowing that women reported to them, based on their individual life experiences. In the process, the authors identified particular ways of knowing that women have cultivated and valued, ways of knowing, they argue, that have been denigrated and neglected by the dominant intellectual ethos of our time.

### **CHAPTER THREE: WOMEN'S WAYS OF KNOWING**

Now, notice how the scope of mind's awareness and knowing extend far beyond the physical limits of the body. Generate awareness of the mind as distinct from the body. Notice the differentiation between the physical world and the mind that is knowing it. (pause for a few minutes)

Women's development theory refers to the seminal work of Mary Field Belenky, Blythe McVicker Clinchy, Nancy Rule Goldberger, and Jill Mattuck Tarule, published under the title "Women's Ways of Knowing: The Development of Self, Voice, and Mind" (Belenky, Clinchy, Goldberger and Tarule 1986).

### **Women's Ways of Knowing - Wikipedia**

Rupert Spira The Known, the Knower and Knowing From the Known to the Knower Thought considers Me to be a separate self, born into a world, moving around in space and time and destined one day to disappear. As such thought considers Me an object, a mixture of thoughts, feelings, sensations and perceptions, sharing their limits and destiny.
