The Ethics Information area serves as a hub for ethics-related resources, education programs and research tools.

Ethics - State Bar of California

Managed services is the practice of outsourcing on a proactive basis certain processes and functions intended to improve operations and cut expenses. It is an alternative to the break/fix or on-demand outsourcing model where the service provider performs on-demand services and bills the customer only for the work done.. Under this subscription model, the client or customer is the entity that ...
