A market trend is a perceived tendency of financial markets to move in a particular direction over time. These trends are classified as secular for long time frames, primary for medium time frames, and secondary for short time frames. Traders attempt to identify market trends using technical analysis, a framework which characterizes market trends as predictable price tendencies within the ...

OFID supports hybrid mini-grids. By Fuad Siala, Energy Adviser, OFID. Lack of access to electricity is primarily a rural problem. For locations that are small; remote and widely dispersed villages and communities often located in areas difficult to access for grid-connection to be a technically or economically feasible option, mini-grids constitute an intermediate solution, between ...

An AngloZionist attack on Syria appears to be inevitable and imminent. There is always a chance of a major pushback from some putative mentally sane, realistic and patriotic generals in the Pentagon, but I am not holding my breath (I asked two of my best informed friends about that, they both told me to forget about it).

The book titled was written in Greek, presumably as it was aimed at non-Jews, and Greek was the leading written language in Europe at that time. Exodus is the Latinised form of the title; and the Latin text has been translated many times into more-or-less modern English, but the title 'Exodus' was retained. The word is composite, meaning something like 'way out' in a neutral sense.
