Ayurvedic medicine (also called Ayurveda) is one of the world's oldest medical systems. It originated in India more than 3,000 years ago and remains one of the country's traditional health care systems. Its concepts about health and disease promote the use of herbal compounds, special diets, and other unique

health practices.

Multicultural Education Connecting Theory to Practice. by Allison Cumming-McCann Multicultural education is more than just teaching about "heroes and holidays" (Lee et al., 1998).

Multicultural Education Connecting Theory to Practice

Clinical peer review, also known as medical peer review or physician peer review is the process by which health care professionals, including those in nursing and pharmacy, evaluate each other's clinical performance. A committee of health care professionals examines the work of a peer and determines whether the person under review has met accepted standards of care in rendering medical services.

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...
