The modern bikini made its debut in 1946, and since then it has caught the popular imagination becoming probably the most popular women's swimsuit, and not necessarily for swimming. Today, bikinis appear in competitions, films, magazines, music, literature, and even video games. Despite the easy availability of more revealing glamour imagery, bikini modeling remains popular and can still create ...

After its unveiling in 1886, the Statue of Liberty (Liberty Enlightening the World) quickly became iconic, and began to be featured on countless posters, and in pictures and books. The statue's likeness has also appeared in motion pictures, television programs, music videos, and video games, and its likeness has been used in logos, on commemorative coins, and in theatrical productions.
