There are many parks and open spaces in Greater London, England. Green space in central London consists of five of the capital's eight Royal Parks, supplemented by a number of small garden squares scattered throughout the city centre. Open space in the rest of the region is dominated by the remaining three Royal Parks and many other parks and open spaces of a range of sizes, run mainly by the ...

This may come as a surprise, but I'm a supporter of "safe spaces." I support safe spaces because I support freedom of association. Safe spaces, if designed in a principled way, are just an application of that freedom.

In short, I support people creating "safe spaces" as a shield by exercising their ...
