In the 17th century, the word Puritan was a term applied to not just one group but many. There continues to be debate among historians over the definition of Puritanism. Historically, the word Puritan was considered a pejorative term that characterized Protestant groups as extremists. According to Thomas Fuller in his Church History, the term dates to 1564.

When you're under 10% body fat, your deflated fat cells are hungry. It's very hard to bulk leanly, and if you focus on trying to stay at a very low body fat percentage, you're going to build muscle very slowly. If you're lucky, you'll gain a pound every month, and even then, only half of it will be muscle.
