Mapping Your Future is a nonprofit organization committed to helping students, families, and schools navigate the higher education and student loan processes through trusted career, college, and financial aid counseling and resources.

Mapping Your Future

Future studies or futurology is the science, art and practice of postulating possible, probable, and preferable futures and the worldviews and myths that underlie them. Futures studies seeks to understand what is likely to continue, what is likely to change, and what is novel. Part of the discipline thus seeks a systematic and pattern-based understanding of past and present, and to determine ...
