

the go between lp pdf

The Go-Between is a novel by L. P. Hartley published in 1953. His best-known work, it has been adapted several times for stage and screen. The book gives a critical view of society at the end of the Victorian era through the eyes of a naïve schoolboy outsider.

The Go-Between - Wikipedia

Leslie Poles Hartley CBE (30 December 1895 – 13 December 1972) was a British novelist and short story writer. Although his first fiction was published in 1924, his career was slow to take off. His best-known novels are the Eustace and Hilda trilogy (1944-7) and The Go-Between (1953). The latter was made into a film in 1971, as was his 1957 novel The Hireling in 1973.

The other consideration is longevity, and I quote two paragraphs from the excellent book by John Watkinson The Art of Digital Audio where he is discussing the magnetic layer of a Magneto-Optical disc: . Magnetic layers with practical Curie temperatures are made from proprietary alloys of iron, cobalt, platinum, terbium, gadolinium and various other rare earths.
